Copy chart

40 responses

On average, how long does it take for a manual equipment loan request to be fully approved and confirmed?

Copy chart

39 responses

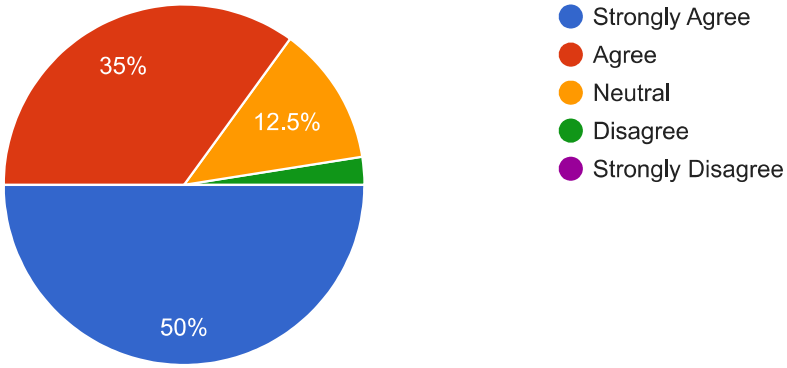

Proposed System Features & Requirements Evaluation

Would pre-configured "Smart Event Packages" (e.g., AGM Package, Outdoor Sports Carnival Bundle, Seminar Exhibition Setup) simplify the booking process and prevent forgotten cables?

Copy chart

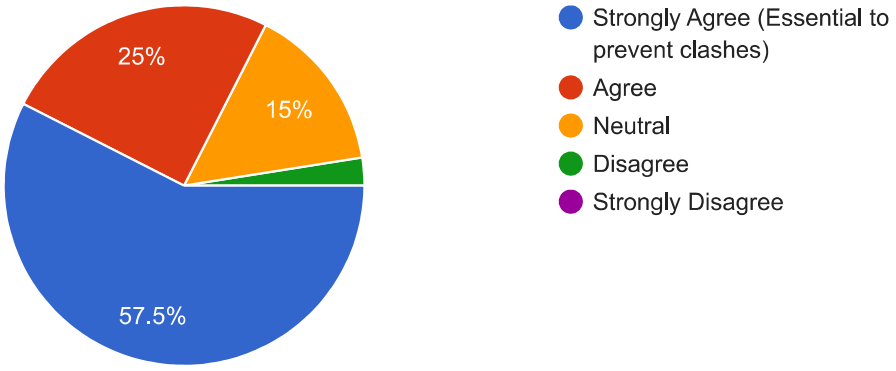

40 responses

How important is having real-time online equipment availability indicators before submitting a reservation?

Copy chart

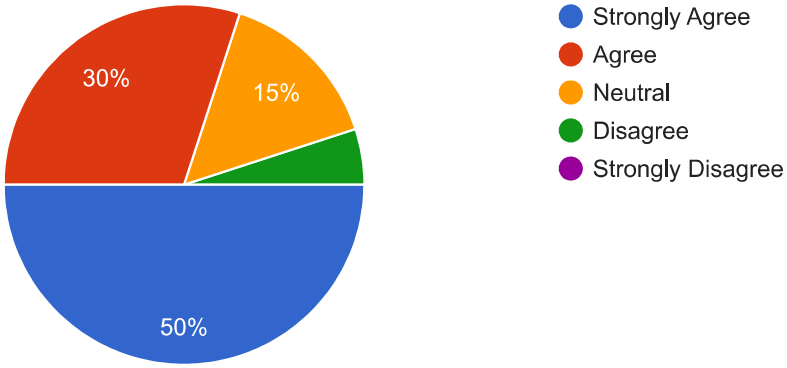

40 responses

Would a digital Return Desk inspection that logs item condition (Excellent, Good, Fair, Damaged) improve student accountability and equipment care?

Copy chart

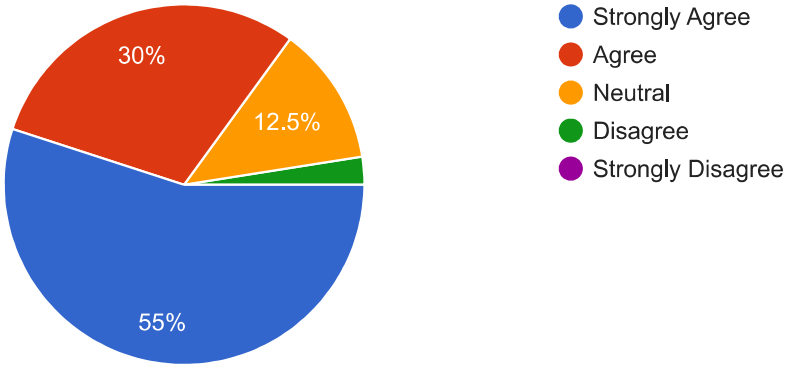

40 responses

Would you support the implementation of the PinjamGeng web-based system to replace manual paper forms at UPTM?

Copy chart

40 responses

What additional features or recommendations would you suggest for the PinjamGeng system?

17 responses

no

Nothing,Everything is good

nothing to improve

I feel there is room for further improvement.

Add pictures of the equipment.

-

improve the system

I think the ui can be better

all good

past record for people that borrow so we can have a prove if anyting happend

nothing all perfect

provide “period times” to avoid clashes with other students

AI Fraud Detection. It analyze borrowing patterns and user behavior to flag suspicious activity before transactions occur.

no idea

calendar

Automatic time log to ensure efficient loan scheduling between events

Add payment reminders, loan status notifications, a clear repayment schedule, and better security features to make the system easier and safer to use.
